

Centrifugal Fans & Blowers

Curved forward bladed centrifugal fans

A wide range of centrifugal fans can be offered.

- Flow rates up to 4000M³/Hr (2350CFM)
- Pressures up to 15mBAR (6 In.SWG)
- Reliable
- Robust
- Many configurations / add-ons available
- ATEX versions available

Typical Applications

- Fume Extraction
- Degreasing - Fume Extraction
- Solder Fume Extraction
- Screen Print Dryers
- Crop Drying / Conditioning
- Gas Burners
- Inflatables
- UV Lamp Cooling
